WE MAKE PEOPLE LIVE THE BEST BATHROOM EXPERIENCE

Engineered for Premium Projects & High-End Showrooms

ARQØ delivers architectural bathroom solutions designed to elevate both large-scale commercial developments and exclusive retail displays. Crafted to meet the highest industry standards, our collections seamlessly blend aesthetic excellence with the heavy-duty durability required for high-traffic environments. Whether specifying for a landmark project or presenting to discerning clients in a showroom, ARQØ ensures uncompromising quality and consistency.

Architectural Finishes

Our collections feature commercial-grade surface treatments, including advanced PVD coating, ensuring:

- Exceptional scratch resistance and surface hardness for high-traffic environments
- Long-lasting color integrity and resistance to tarnishing or corrosion
- Full compatibility with rigorous hospitality and residential specifications

European Standard Compatibility

Fully compatible with EU specifications, making ARQØ ideal for:

- International consultants & global project standards
- High-end residential & commercial developments
- Premium showroom collections

Reliable Supply Chain

- Consistent stock availability
- Project & Retail-based supply planning
- Commitment to on-time delivery
